

## **Prosper Place: COVID-19**

Prosper Place is committed to participating in the public efforts to reduce the exposure to and spread of the COVID-19 pandemic.

Prosper Place is modifying operations in order to encourage social distancing and to comply with Alberta Health Services recommendations.

At this time, Prosper Place is temporarily not able to welcome peer members in person, but is reaching out to peer members by telephone, conference call and other forms of communication. Projects will continue with peer members working remotely.

Prosper Place encourages all peer members to call us – we welcome every chance to chat! **780.426.7861** or [info@prosperplace.org](mailto:info@prosperplace.org)

Prosper Place is often referred to as a second family. We care about all our peer members' whole health and are only a phone call away.

Our team continues to monitor the situation and we have expanded our cleaning protocols at our facility.

## **Wellness Network Learning Community:**

*Recovery College courses (through e4c and Prosper Place) are cancelled for the remainder of the winter semester. We will be sure to post notices for when new courses will begin in the spring.*

- *AHS programs for the Wellness Network, including WRAP (Wellness Recovery Action Plan) and the Community Linking Programs, are cancelled until further notice.*

*During this time, the Wellness Network email address is the best way to connect with the Wellness Network Coordinator and Peer Navigators. If you have any questions or concerns, please feel free to reach out to [wellnessnetwork@e4calberta.org](mailto:wellnessnetwork@e4calberta.org). Check out our website at [wellnessnetworkedmonton.com/covid-19-strategy/](http://wellnessnetworkedmonton.com/covid-19-strategy/) for up to date information.*
